### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Richard Eby on January 9, 2006.

The application has been amended as follows:

#### **Cancel Claims 65-66**

2. The following is an examiner's statement of reasons for allowance: Prior art fails to teach or fairly suggest a rack removably positionable in a base wherein the rack comprising a first support bar and second support bar connected only to one of the walls and comprising a first longitudinal edge extending over a length of, and connected to, an inner surface of the one of the walls to cantilever the first support bar and a second longitudinal edge being deflectable with respect to the one the walls and being spaced away from the lower edges of the rack and the four walls defining an interior space within which the first support bar, the second support bar and the slide are located, the interior space comprising no rack structure between a plane defined by the second longitudinal edge and the fourth longitudinal edge.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
